Has Ten Degrees the Best of of Douglas -- Roof Gone from Tucson Thermometer. -Comfortable Fourth Here

Ten degrees difference in tempera 14 1-2 ture between Bisbee and Douglas has prevailed during the heat wave of 2 1-2 the present week according to the observations of the thermomets made for the government n the Bis bee and Douglas offices of the El 16 3-4 Puso & Southwestern.
7 1-4 Even at that it has been pretty

2 1-1 even had the notion that it was hot These, however, have not compared notes with El Paso, Tuesca, Phoenix about beat in the summer of 1913 Hisbee is one great little old loc boxonly in the matter of temperature however. Otherwise she is the one big hot town of the southwest.

According to the story told by the thermometer, Wednesday was the hottest day of the week. The maximum of 33 was reached. At Douglas the same day the thermometer res intered at exactly 163. At Tucson is said that it reached 123 before the attendant threw a bucket of ice water

1.2 over the bulb. Tuesday the Bistoc official ther meter showed 92. At Douglas the official report was 102. A Douglos man who came to town that evening was attired only in his night clothe otherwise his pajamas, according to the declarations of friends. He said that regular natives of the city were not even wearing that much. Instruct, as he is a fine fellow, so les widely noted for ability than truthfu 6 1-4 Warrior

ness, his story passed here and friends dug him up an overcont. Yesterday was cooler—the cooless of the week. The mercury assembles at 90 at the high point in Bisber, and at 100 in Douglas. Today is expected to witness still lower temperature in the city. Outsiders, Douglas citizens and others who dish it celebrate the Fourth in a temperature where comfor will be possible and one may even imagine himself among the city.
